

**Nebraska VR**  
Nebraska Department of Education

---

*Having problems working because of a  
physical condition?*

**Nebraska VR can assist you with:**

- Job site modifications and devices to help you be able to do your job
- Assistance finding work that won't aggravate your physical condition
- Training to learn new skills for a job more suitable to your physical condition
- Career assessment to help you learn more about your work interests and aptitudes

**For more information call your local Nebraska VR office in  
Scottsbluff at 632-1321 or 1-800-292-3382.**
